

Hit the Restart Button... and Refresh your Business Outlook!

The last few years have been all about down-sizing and making do with less, just to stay in the game. Now that opportunity is knocking, are you ready to restart?

This Spring, you can work **IN** your business, or you can work **ON** your business... Let us show you how to Hit the Refresh button, and get a new perspective on your business.

Our panel will provide you with new ideas in:

- **Marketing:** Rethinking what your clients want
- **Finance:** New products from local lenders
- **Hiring:** Ideas on recruiting and retaining great staff
